Customizable Parameters

# How to Use This Guide

Each prompt is fully structured and ready to use with ChatGPT's image generation (DALL·E, GPT-4o image mode). Replace all **[bracketed placeholders]** with your specific details. The more precise you are, the better your output.

## GETTING STARTED

- Copy the full prompt text into ChatGPT
- Replace all **[bracketed placeholders]** with your specifics
- Keep the structure and requirements intact
- Add personal style notes at the end if desired

## PRO TIPS

- Be specific: exact colors, dimensions, emotions
- Mix elements from different prompts for unique results
- Iterate by changing one parameter at a time
- Use the Style Reference as your artistic anchor

**01 Photorealistic Portrait in Golden Hour Light**

Portrait

Act as an expert prompt engineer for AI image generation. I want to create a photorealistic portrait image using ChatGPT's image generation.

**SUBJECT & SETTING**

- Subject: [describe person — age, gender, ethnicity, expression]
- Setting: [describe environment, e.g., urban rooftop, countryside field]
- Lighting: golden hour, warm rim light from behind, soft fill light on face

**GENERATE AN IMAGE WITH**

- Ultra-realistic skin texture and natural imperfections
- Shallow depth of field (f/1.8 look) with creamy bokeh background
- Natural hair movement and flyaways catching the light
- Wardrobe: [describe clothing style and color palette]
- Camera angle: [eye-level / low angle / three-quarter]
- Mood: [describe emotional tone — contemplative, joyful, serene]

 Style reference: Shot on 85mm lens, Kodak Portra 400 film aesthetic, cinematic color grading.

**02 Corporate Headshot with Professional Backdrop**

Portrait

Act as a corporate photographer. Create a professional headshot image of [describe subject] for [use case, e.g., LinkedIn, company website].

**REQUIREMENTS**

- Background: softly blurred [office environment / solid neutral color]
- Lighting: soft box studio lighting, flattering and even
- Expression: confident and approachable
- Attire: [business formal / smart casual] matching [industry]
- Framing: chest-up composition with the subject slightly off-center

 Style reference: High-end corporate headshot photography, clean and professional.

### 03 Minimalist Line Art Portrait

Illustration

Act as a line art illustrator. Create a minimalist single-line or continuous-line portrait of [subject, e.g., a woman's profile, a couple dancing].

#### INCLUDE

- Clean, unbroken linework with no shading or minimal shading
- Color palette: [monochrome black on white / single accent color]
- Composition: centered or slightly off-center for visual balance
- Negative space used intentionally to enhance simplicity
- Mood: elegant, calm, and modern

 Style reference: Picasso-inspired continuous line art, modern minimalist gallery print style.

**04 Editorial Fashion Photography Concept**

Photography

Act as a fashion photography director. Generate an editorial-style image featuring a model wearing [describe outfit/designer aesthetic].

**INCLUDE**

- Pose: [dynamic movement / statuesque / candid walking shot]
- Location: [urban alley / desert / minimalist studio]
- Lighting: [hard flash editorial / soft diffused daylight]
- Color grading: [high contrast black and white / saturated pop art / muted editorial tones]
- Styling details: hair, makeup, and accessories that match [theme]

 Style reference: Vogue editorial spread, high-fashion magazine cover aesthetic, bold and confident composition.

**05 Wedding Photography Golden Hour Shot**

Photography

Act as a wedding photographer. Create a romantic golden hour image of a couple at [setting, e.g., vineyard, beach, garden estate].

**INCLUDE**

- Pose: intimate and candid, [embracing / dancing / walking together]
- Lighting: warm backlit sun flare creating a soft glow
- Wardrobe: [describe wedding attire style]
- Background: softly blurred scenic setting
- Color grading: warm, romantic, and timeless

 Style reference: Fine art wedding photography, editorial and emotionally evocative.

## 06 Dramatic Black and White Street Photography

Photography

Act as a street photographer. Create a dramatic black and white image capturing [scene, e.g., a rainy city street, a bustling market, a lone figure at night].

### INCLUDE

- High contrast lighting with deep shadows and bright highlights
- Composition: candid, unposed framing following the rule of thirds
- Weather/atmosphere elements: [rain, fog, steam] for mood
- Subject placement creating a strong narrative moment
- Grain texture for an authentic film photography feel

 Style reference: Henri Cartier-Bresson-style documentary street photography.

## 07 Aerial Drone Landscape Photography

Photography

Act as a drone photographer. Create an aerial image of [landscape, e.g., terraced rice fields, coastal cliffs, winding river through forest].

### INCLUDE

- Perspective: directly overhead or slight angle showing scale and pattern
- Color palette: natural and vibrant, emphasizing the landscape's textures
- Lighting: [early morning mist / dramatic midday shadows / golden hour glow]
- Composition: leading lines and natural patterns guiding the eye
- A small human element (boat, person, road) for scale

 Style reference: National Geographic aerial landscape photography.

## 08 Macro Photography of Natural Textures

Macro Photography

Act as a macro photographer. Generate an extreme close-up image of [subject, e.g., dew drops on a leaf, frost patterns, honeycomb].

### INCLUDE

- Razor-sharp focus on the central texture with soft background blur
- Lighting: [backlit for translucency / side-lit for texture depth]
- Color palette: natural and true-to-life tones
- Composition: fill the frame with the texture, abstract framing
- Add subtle water droplets or light refraction for visual interest

 Style reference: National Geographic macro photography, hyper-detailed and immersive.

## 09 Streetwear Fashion Lookbook Shot

Fashion

Act as a streetwear brand photographer. Create a lookbook image of a model wearing [describe streetwear outfit and brand aesthetic].

### INCLUDE

- Urban backdrop: [graffiti wall, skate park, city intersection]
- Pose: confident, candid streetwear editorial stance
- Lighting: natural daylight with high contrast shadows
- Color grading: desaturated urban tones with one bold accent color
- Styling details: sneakers, accessories, and layering matching the brand identity

📷 Style reference: Supreme or Off-White lookbook photography, gritty urban authenticity.

**10 Studio Product Photography for E-Commerce**

Product

Act as a commercial product photographer. I need a clean studio-style image of [product name and description] for an e-commerce listing.

**REQUIREMENTS**

- Pure white or [specify color] seamless background
- Soft, even studio lighting with subtle shadow beneath the product
- Product angle: [front-facing / 3/4 view / top-down flat lay]
- Surface material: [matte acrylic / marble / wood grain]
- Add a subtle reflection beneath the product for a premium look
- Include negative space on [left/right] side for text overlay

 Style reference: Apple product photography, high-end minimalist commerce aesthetic, sharp focus throughout.

**11 Food Photography for Restaurant Menu**

Food Photography

Act as a food photographer for a high-end restaurant. Create an appetizing image of [dish name and key ingredients].

**INCLUDE**

- Overhead or 45-degree angle plating shot
- Natural side lighting to highlight texture (steam, glaze, crispiness)
- Garnish and plating style: [minimalist fine dining / rustic homestyle]
- Background: [dark slate / linen tablecloth / wooden table]
- Color contrast between the dish and background for visual pop

 Style reference: Michelin-starred restaurant menu photography, shallow depth of field, warm inviting tones.

## 12 Editorial Food Flat Lay for Cookbook

Food Photography

Act as a cookbook photographer. Create a flat lay image showcasing [dish/ingredients] styled for a [cookbook theme, e.g., Mediterranean, farm-to-table, holiday baking].

### INCLUDE

- Overhead composition with ingredients arranged around the central dish
- Props: [linen napkin, rustic wooden spoons, fresh herbs]
- Color palette: earthy and natural tones matching the cuisine
- Lighting: soft natural window light casting gentle shadows
- Negative space reserved for recipe title text

📌 Style reference: Modern cookbook photography, warm and inviting editorial styling.

## 13 Luxury Perfume Bottle Product Shot

Product

Act as a luxury product photographer. Create a high-end image of a perfume bottle labeled [brand name] for [fragrance theme, e.g., floral, woody, citrus].

### INCLUDE

- Background: [dark moody gradient / soft pastel silk fabric]
- Lighting: dramatic side lighting highlighting bottle glass reflections
- Props: [flower petals, silk drapery, water droplets] matching the fragrance theme
- Composition: bottle as hero centered with elegant negative space
- Color grading: luxurious and refined

🌟 Style reference: Chanel or Dior perfume campaign photography, editorial luxury aesthetic.

## 14 Elegant Jewelry Product Photography

Product

Act as a jewelry photographer. Create a macro product image of [jewelry piece, e.g., a diamond ring, gold necklace, pearl earrings].

### INCLUDE

- Background: [black velvet / soft satin fabric / marble surface]
- Lighting: dramatic macro lighting highlighting sparkle and reflections
- Composition: close-up hero shot with shallow depth of field
- Props: [subtle draping fabric, complementary gemstones]
- Color grading: luxurious, high-end, and refined

🌟 Style reference: Tiffany & Co. or Cartier jewelry campaign photography.

**15 Whimsical Children's Book Illustration**

Illustration

Act as a children's book illustrator. Create a warm, whimsical illustration for a story about [brief story premise].

**INCLUDE**

- Main character: [describe animal or child character, personality traits]
- Setting: [enchanted forest / cozy bedroom / underwater kingdom]
- Color palette: soft, warm, and inviting pastel tones
- Style: hand-drawn watercolor texture with gentle linework
- Composition: leave open space at the top or bottom for text placement
- Mood: curious, joyful, and safe

 *Style reference:* Classic picture book illustration, similar to Beatrix Potter or modern Studio Ghibli concept art.

**16 Watercolor Cityscape Travel Sketch**

Illustration

Act as a travel illustrator. Create a loose watercolor-style sketch of [city/landmark, e.g., Parisian street cafe, Venice canal, Marrakech souk].

**INCLUDE**

- Visible watercolor bleed and paper texture
- Color palette: soft washes with selective bold accent colors
- Composition: street-level perspective capturing everyday life
- Small human figures for scale and atmosphere
- Loose ink linework over the watercolor base

 *Style reference:* Travel journal sketchbook illustration, expressive and painterly.

## 17 Fantasy Potion Bottle Still Life

Illustration

Act as a fantasy prop illustrator. Create a still life image of a magical potion bottle labeled [potion name/effect, e.g., "Elixir of Courage"].

### INCLUDE

- Bottle design: [ornate glass, cork stopper, glowing liquid color]
- Surrounding props: [dried herbs, old parchment, candlelight]
- Color palette: rich jewel tones with a magical glow emanating from the liquid
- Lighting: warm candlelight contrasted with the potion's inner glow
- Background: rustic wooden table or apothecary shelf

 Style reference: Fantasy RPG item illustration, richly detailed painterly style.

## 18 Halloween-Themed Spooky Illustration

Seasonal

Act as a seasonal illustrator. Create a Halloween-themed image featuring [subject, e.g., a haunted house, witch's cottage, jack-o'-lantern patch].

### INCLUDE

- Color palette: deep oranges, purples, and blacks with a moonlit glow
- Atmosphere: fog, bare trees, and eerie lighting
- Whimsical rather than horrifying tone, suitable for [family audience / greeting card]
- Composition: central focal point with surrounding environmental storytelling
- Style: [flat illustration / painterly / paper-cut aesthetic]

 Style reference: Tim Burton-inspired whimsical spooky illustration.

## 19 Bold Pop Art Illustration

Pop Art

Act as a pop art illustrator. Create an image of [subject, e.g., a person, an everyday object] in the style of classic pop art.

### INCLUDE

- Bold outlines with flat color fills
- Ben-Day dot pattern shading in select areas
- Color palette: primary colors — red, yellow, blue — with black outlines
- Composition: close-up, dramatic cropping for visual impact
- Optional comic-style text bubble or caption element

 Style reference: Roy Lichtenstein-inspired pop art, bold and graphic.

## 20 Botanical Illustration for Packaging

Nature Illustration

Act as a botanical illustrator. Create a detailed illustration of [plant/flower, e.g., lavender, eucalyptus, citrus branch] for use on [product packaging type].

### INCLUDE

- Fine linework with delicate shading
- Color palette: [muted natural tones / full-color botanical realism]
- Composition: single stem or full botanical arrangement
- Background: transparent or soft cream for packaging integration
- Style: scientific botanical accuracy balanced with artistic elegance

 Style reference: Vintage botanical field guide illustrations, refined apothecary-brand aesthetic.

## 21 Retro Video Game Pixel Art Scene

Pixel Art

Act as a pixel artist. Create a nostalgic 16-bit style pixel art scene depicting [setting, e.g., a forest village, space station, dungeon entrance].

### INCLUDE

- Color palette: limited to [16–32 colors] for authentic retro feel
- Perspective: [side-scrolling / top-down / isometric]
- Environmental details: [torches, foliage, signage] with subtle animation-ready elements
- Character or creature placed within the scene for scale
- Lighting: pixel-style light sources with dithered shading

 Style reference: SNES-era JRPGs, similar to Chrono Trigger or Stardew Valley art style.

**22 Minimalist Brand Logo Exploration**

Branding

Act as a senior brand identity designer. Generate a logo concept image for a company called [company name] in the [industry] space.

**DESIGN DIRECTION**

- Style: [minimalist / geometric / hand-drawn / abstract mark]
- Core symbol representing: [company value or product, e.g., growth, connectivity, speed]
- Color palette: [2–3 brand colors]
- Typography pairing: [modern sans-serif / elegant serif]
- Show the logo on a clean white background, centered
- Include a secondary variation: icon-only mark for app/favicon use

 Style reference: Behance/Dribbble trending minimalist branding, flat vector aesthetic, no gradients unless specified.

**23 Isometric App Icon Set**

Icon Design

Act as a UI/UX icon designer. Create an isometric-style icon representing [app function, e.g., cloud storage, fitness tracking, task management].

**INCLUDE**

- 3D isometric perspective at a consistent angle
- Color palette: [2–3 complementary colors with soft gradients]
- Rounded, friendly shapes with subtle drop shadows
- Consistent line weight and style suitable for a matching icon family
- Transparent or white background for easy placement

 Style reference: Modern SaaS product illustration style, clean and approachable, similar to Notion or Linear iconography.

## 24 Abstract Geometric Pattern for Textiles

Pattern Design

Act as a textile pattern designer. Create a seamless abstract geometric pattern suitable for [application, e.g., fabric print, wallpaper, packaging].

### INCLUDE

- Repeating shapes: [triangles / hexagons / organic blobs / wavy lines]
- Color palette: [specify 3–5 colors]
- Scale variation: mix of large and small elements for visual rhythm
- Ensure the pattern tiles seamlessly at the edges
- Style: [Scandinavian minimalism / Art Deco / tropical maximalism]

 Style reference: Modern surface pattern design for home decor or fashion textile lines.

## 25 Motivational Quote Graphic for Social Media

Social Media

Act as a social media content designer. Create a background image for a motivational quote graphic themed around [topic, e.g., discipline, growth, resilience].

### INCLUDE

- Visual metaphor representing the theme: [describe symbolic imagery]
- Color palette: [bold and energetic / calm and minimalist]
- Composition: negative space in the [center/lower third] for text overlay
- Style: [flat illustration / photographic / gradient abstract]
- Aspect ratio suited for [Instagram square / Story vertical]

 Style reference: High-performing wellness or productivity brand social content.

## 26 Abstract 3D Render for Tech Branding

3D Design

Act as a 3D motion and brand designer. Create an abstract 3D render representing [concept, e.g., data flow, innovation, connectivity] for a tech company's branding.

### INCLUDE

- Shapes: [floating geometric forms, fluid ribbons, glass spheres]
- Materials: glossy glass, brushed metal, or soft matte gradients
- Color palette matching brand identity: [specify colors]
- Lighting: studio-style softbox lighting with subtle reflections
- Composition: centered hero object with soft background gradient

 Style reference: Apple keynote-style 3D renders, sleek and futuristic tech aesthetic.

## 27 Cute Kawaii Sticker Pack Design

Sticker Design

Act as a kawaii sticker artist. Create a cute character sticker of [subject, e.g., a smiling boba tea cup, a sleepy cat, a happy avocado].

### INCLUDE

- Bold, clean outlines with a white sticker border
- Color palette: soft pastel tones with rosy blush details
- Expression: big round eyes, minimal simple features, cheerful mood
- Small accent details: sparkles, hearts, or motion lines
- Flat vector illustration style with no complex shading

 Style reference: Japanese kawaii sticker aesthetic, similar to Line stickers or Sanrio characters.

## 28 Elegant Wedding Invitation Background Art

Stationery Design

Act as a stationery designer. Create a background illustration for a wedding invitation themed around [style, e.g., botanical garden, minimalist modern, vintage romance].

### INCLUDE

- Decorative elements: [watercolor florals / delicate line art / gold foil accents]
- Color palette: [soft blush and sage / classic black and gold / dusty blue]
- Composition: border or corner framing with open central space for text
- Texture: [subtle paper grain / soft watercolor wash]
- Mood: elegant, romantic, and timeless

 Style reference: High-end wedding stationery design, boutique invitation studio aesthetic.

## 29 Retro Sci-Fi Movie Poster

Poster

Act as a retro movie poster illustrator. Create a poster for a fictional sci-fi film titled [movie title] with the tagline [tagline].

### INCLUDE

- Central hero imagery: [spaceship, alien landscape, protagonist silhouette]
- Color palette: [1970s–80s sci-fi poster tones — orange, teal, deep space black]
- Typography space reserved for title and credits block at the bottom
- Painterly illustration style with dramatic lighting
- Composition: dynamic diagonal framing for cinematic tension

 Style reference: Classic Drew Struzan-style movie poster illustration.

### 30 Vintage Travel Poster Design

Poster

Act as a vintage poster designer. Create a travel poster promoting [destination, e.g., the Amalfi Coast, Kyoto, the Sahara Desert].

#### INCLUDE

- Bold, simplified shapes depicting the destination's iconic landmark or scenery
- Limited color palette: [3–4 retro tones, e.g., mustard, teal, cream, rust]
- Typography treatment: [destination name in bold retro lettering]
- Textured paper grain overlay for an aged, printed look
- Composition: strong central focal point with sun/sky gradient background

 Style reference: 1950s–60s airline travel posters, WPA-era illustration style.

### 31 Retro-Futuristic Album Cover Art

Music & Media

Act as an album cover artist. Design cover art for a [music genre, e.g., synthwave, indie rock, lo-fi] album titled [album title].

#### INCLUDE

- Central visual motif: [describe a symbolic object, figure, or scene]
- Color palette: [retro sunset gradient / monochrome grain / neon contrast]
- Typography space reserved for the album title and artist name
- Texture: [film grain / VHS distortion / vinyl scratch overlay]
- Mood matching the genre's emotional tone

 Style reference: Iconic album covers from [decade, e.g., 1980s synth era], bold and instantly recognizable.

**32 Fantasy Character Concept Art**

Concept Art

Act as a fantasy concept artist for video games and film. Design a character concept image for [character role, e.g., rogue elf archer, dwarven blacksmith, sky pirate captain].

**INCLUDE**

- Full-body pose showing personality and readiness for action
- Costume and armor details reflecting [culture/faction — e.g., forest tribe, steampunk guild]
- Signature weapon or tool: [describe]
- Color palette: [primary and accent colors]
- Background: atmospheric environment hinting at their world (e.g., misty forest, floating city)
- Lighting: dramatic rim lighting to emphasize silhouette

 Style reference: Digital painting, concept art for AAA games, painterly brushwork with sharp focal details.

**33 Surreal Dreamlike Landscape**

Surreal

Act as a surrealist digital artist. Create a dreamlike landscape image combining [element A, e.g., floating islands] with [element B, e.g., a giant clock].

**INCLUDE**

- Impossible physics or scale (objects floating, oversized elements, melting forms)
- Color palette: [dusky pastels / vivid saturated tones / muted sepia]
- A single human or animal figure for scale and narrative intrigue
- Atmospheric elements: fog, light rays, or floating particles
- Composition following the rule of thirds with a clear focal point

 Style reference: Salvador Dalí meets modern digital surrealism, painterly texture, cinematic lighting.

### 34 Cyberpunk Cityscape at Night

Sci-Fi

Act as a sci-fi concept artist. Generate a sprawling cyberpunk cityscape at night featuring [focal point, e.g., a lone figure on a rooftop, a flying vehicle chase].

#### INCLUDE

- Neon signage in [languages/colors] reflecting off wet streets
- Towering skyscrapers with holographic advertisements
- Atmospheric haze and rain for depth and mood
- Color palette: neon pink, cyan, and deep purple against dark shadows
- A clear foreground, midground, and background for depth

 Style reference: Blade Runner 2049 meets Ghost in the Shell, hyper-detailed digital painting.

### 35 Underwater Fantasy Scene

Fantasy

Act as a fantasy environment artist. Create an underwater scene featuring [subject, e.g., a sunken city, mermaid, bioluminescent reef].

#### INCLUDE

- Light rays filtering down through the water creating volumetric beams
- Color palette: deep blues and teals with glowing bioluminescent accents
- Marine life details: [coral, fish schools, kelp forests]
- Central focal subject placed using rule-of-thirds composition
- Atmosphere: mysterious, magical, and serene

 Style reference: Painterly fantasy concept art, similar to Avatar: The Way of Water aesthetic.

### 36 Whimsical Treehouse Fantasy Illustration

Fantasy

Act as a fantasy illustrator. Create an image of a magical treehouse village nestled in [forest setting].

#### INCLUDE

- Architectural details: winding staircases, glowing lanterns, thatched roofs
- Color palette: warm autumn tones with twinkling fairy-light accents
- Atmosphere: soft mist and dappled sunlight through the canopy
- Small whimsical creatures or characters inhabiting the scene
- Composition: wide establishing shot with rich environmental storytelling

 Style reference: Studio Ghibli-inspired whimsical fantasy illustration.

### 37 Steampunk Mechanical Creature Design

Concept Art

Act as a steampunk concept artist. Design a mechanical creature combining [animal, e.g., owl, dragon, spider] with brass and steam-powered machinery.

#### INCLUDE

- Visible mechanical details: gears, pistons, exposed brass joints, steam vents
- Color palette: aged copper, brass, deep mahogany, with glowing amber accents
- Pose: dynamic and mid-action to show mechanical movement
- Background: Victorian industrial workshop or foggy skyline
- Lighting: warm lantern glow contrasted with cool ambient shadows

🔧 Style reference: Steampunk illustration style, highly detailed mechanical linework.

### 38 Sci-Fi Spaceship Interior Concept

Sci-Fi

Act as a spaceship interior concept designer. Create an image of the [bridge / engine room / crew quarters] of a [ship type, e.g., military cruiser, exploration vessel].

#### INCLUDE

- Control panels and holographic displays with [color] ambient lighting
- Materials: brushed metal, glass, exposed wiring or sleek minimalist panels
- A character present for scale and narrative context
- Lighting: cool blue ambient tones contrasted with warm control panel glows
- Level of detail: highly technical and believable functional design

🚀 Style reference: Concept art from The Expanse or Interstellar, grounded hard sci-fi realism.

### 39 Post-Apocalyptic Environment Concept

Concept Art

Act as a post-apocalyptic environment concept artist. Create a scene of [location, e.g., an overgrown city street, an abandoned amusement park] reclaimed by nature after a fictional collapse.

#### INCLUDE

- Environmental storytelling: crumbling structures, overgrown vegetation, rusted vehicles
- Color palette: desaturated tones with pockets of vibrant nature green
- Atmosphere: [dusty haze / overcast sky / eerie silence conveyed visually]
- A lone figure or creature for scale and narrative tension
- Lighting: harsh directional sunlight breaking through debris

🏠 Style reference: The Last of Us concept art style, richly detailed environmental design.

## 40 Fantasy Map Illustration for Worldbuilding

Worldbuilding

Act as a fantasy cartographer. Design an illustrated map of [fictional world/region name] for a [novel/game project].

### INCLUDE

- Key geographic features: [mountains, forests, rivers, coastlines]
- Labeled points of interest: [cities, ruins, landmarks] in a fantasy-style font
- Color palette: aged parchment tones with hand-drawn ink linework
- Decorative elements: compass rose, sea monsters, decorative border
- Style: hand-illustrated cartography, weathered and antique in feel

 Style reference: Classic fantasy novel endpaper maps, similar to Tolkien-era cartography.

**41 Architectural Visualization of Modern Home**

Architecture

Act as an architectural visualization artist. Generate an exterior render of a modern [home/building type] in [setting, e.g., coastal cliffside, forest clearing, desert].

**INCLUDE**

- Architectural style: [minimalist modern / Scandinavian / Japandi]
- Materials: [concrete, glass, timber cladding]
- Landscaping: [native plants, infinity pool, courtyard garden]
- Lighting: [golden hour exterior glow / twilight with interior lights on]
- Camera angle: three-quarter exterior view showing scale and context

 Style reference: High-end architecture firm portfolio render, photorealistic, magazine-quality composition.

**42 Luxury Real Estate Interior Render**

Interior Design

Act as an interior visualization designer. Create a photorealistic render of a [room type, e.g., living room, kitchen, master bedroom] in a luxury [design style, e.g., mid-century modern, contemporary minimalist].

**INCLUDE**

- Furniture: [describe key pieces and materials]
- Color palette: [warm neutrals / bold accent tones]
- Lighting: natural daylight through large windows plus ambient warm lighting
- Textures: [marble, velvet, brushed brass, natural wood]
- Styling details: plants, art, and decor that complete the aesthetic

 Style reference: Architectural Digest interior feature, magazine-quality photorealism.

### 43 Bright and Airy Scandinavian Nursery Design

Interior Design

Act as an interior designer specializing in children's spaces. Create an image of a nursery room designed in [Scandinavian minimalist / boho / whimsical woodland] style.

#### INCLUDE

- Color palette: soft neutrals with one gentle accent color
- Furniture: [crib, rocking chair, wall shelving] in natural wood tones
- Decor: [mobile, wall art, soft textiles] matching the theme
- Lighting: bright natural daylight through sheer curtains
- Mood: calm, safe, and gently playful

 Style reference: Modern nursery design editorial photography, soft and serene.

### 44 Cozy Autumn Interior Scene

Lifestyle

Act as a lifestyle photographer. Create a cozy autumn-themed interior scene featuring [subject, e.g., a reading nook, a coffee table with a warm drink].

#### INCLUDE

- Color palette: warm browns, burnt orange, and cream tones
- Props: [knitted blanket, candles, seasonal foliage, steaming mug]
- Lighting: soft window light with a warm golden hue
- Composition: inviting and lived-in, not overly styled
- Mood: comfort, warmth, and stillness

 Style reference: Cozy lifestyle blog photography, Pinterest-worthy seasonal aesthetic.

**45 Mascot Character Design for Brand**

Character Design

Act as a mascot and character designer. Create a friendly brand mascot for [company/product, e.g., a coffee brand, kids' app, fitness startup].

**INCLUDE**

- Character type: [animal / robot / abstract blob / human-like figure]
- Personality traits reflected in pose and expression: [energetic, calm, playful]
- Color palette matching brand identity: [specify colors]
- Simple, scalable shapes that work at both large and small sizes
- Three expression variations: happy, excited, and thoughtful

 Style reference: Modern flat-vector mascot design, similar to Duolingo or Slack-style brand characters.

**46 Anime-Style Character Portrait**

Character Design

Act as an anime character illustrator. Create a portrait of [character description, e.g., a determined young warrior, a mysterious mage].

**INCLUDE**

- Art style: [modern anime / classic 90s anime / Studio Ghibli-inspired]
- Expression and pose reflecting personality: [fierce, gentle, mischievous]
- Color palette: [vibrant and saturated / soft and muted]
- Background: [simple gradient / detailed environmental setting]
- Hair and clothing details with dynamic movement

 Style reference: High-quality anime key visual art, clean cel-shaded rendering.

## 47 Sci-Fi Robot Companion Character Design

Character Design

Act as a robot character designer. Create a design for a friendly robot companion character for [context, e.g., a children's animated show, a sci-fi film].

### INCLUDE

- Design language: [rounded and cute / sleek and functional / retro-futuristic]
- Color palette: [soft pastel tech tones / bold primary colors]
- Personality conveyed through posture and "facial" screen expression
- Material details: [matte plastic shell, glowing joints, antenna details]
- Background: simple studio backdrop to keep focus on the character

 Style reference: Pixar/Disney robot character design, approachable and expressive.

**48 Modern Gym and Fitness Lifestyle Shot**

Lifestyle

Act as a fitness brand photographer. Create an energetic image of [subject, e.g., an athlete mid-workout] in a [modern gym / outdoor fitness setting].

**INCLUDE**

- Pose: dynamic action capturing motion and effort
- Lighting: high-contrast, energetic with a hint of lens flare
- Wardrobe: [athletic wear brand aesthetic and colors]
- Background: [industrial gym / sunrise outdoor trail]
- Color grading: bold and high-energy

 Style reference: Nike or Gymshark campaign photography, powerful and motivational.

**49 Dark Academia Aesthetic Scene**

Aesthetic/Mood

Act as a mood-board illustrator. Create a dark academia-themed image featuring [subject, e.g., an old library, a student reading by candlelight, a gothic university courtyard].

**INCLUDE**

- Color palette: deep browns, burgundy, forest green, and muted gold
- Props: [leather-bound books, candlelight, vintage inkwells, autumn leaves]
- Lighting: soft, moody, and atmospheric with dramatic shadows
- Architecture: gothic or classical academic details
- Mood: intellectual, mysterious, and nostalgic

 Style reference: Dark academia aesthetic photography and illustration, moody and literary.

## 50 Bold Graffiti Street Art Mural

Street Art

Act as a graffiti muralist. Create a street art mural design featuring [subject/message, e.g., a phoenix rising, a bold typographic statement about unity].

### INCLUDE

- Style: [wildstyle lettering / stencil art / photorealistic spray paint portrait]
- Color palette: vibrant, high-contrast spray paint colors
- Background: textured brick or concrete wall
- Composition: large-scale, eye-catching, dynamic movement
- Drip and spray texture details for authenticity

 Style reference: Banksy-meets-Miami Wynwood Walls mural aesthetic.

# You're All Set!

All 50 prompts are structured and ready to use. Remember: the more specific your [placeholders], the more remarkable your generated images will be. Happy creating!

50 PROMPTS · 9 CATEGORIES · UNLIMITED CREATIVITY
